The Honorable Arnold Schwarzenegger
Governor
State Capitol Building
Sacramento, CA 95814

Dear Governor Schwarzenegger,

Congratulations for giving the speech of your life (other than when you asked Maria to marry you).

Your words at the Republican National Convention touched the heart of America with truth, optimism, inspiration, passion, vision, and humor. I was especially thankful to hear you define national values in such clear and meaningful words.

You have established yourself as a political force, unparalleled in California and quite likely in all of America. There is no need for you to capitulate to the whims and desires of free spending liberal "girlie-men." With your undeniable influence and power, I'm hopeful you will move forward to radically reform our State government, cut more spending, and empower local governments to serve community needs.

Thank you for lifting the spirits of America. My prayer is that God continues to give you courage to do and say what is right.

Sincerely,

A handwritten signature in cursive script that reads "Bill Horn". The signature is written in dark ink and is positioned above the printed name and title.
